STAT

This is in reference to your application for employment which we have been considering.

We have carefully examined our personnel needs in the various offices of the Agency but have found no opening in which we could utilize the qualifications which you have made available to us. This is certainly no reflection on your qualifications but is because of the fact that we have very few vacancies in the Agency, and thus we cannot hire many good candidates who apply with us. We do not expect any change in this situation during the next twelve months.

We appreciate your interest in working with us and regret that our employment situation does not permit us to take favorable action on your application.

Sincerely,

STAT
